|-----------------------|---|
| Sep/2021 – Up to date | International Monetary Fund
Economist
Main tasks: Work for the African Department as an economist supporting country teams to formulate and execute IMF's financial and non-financial programs, economic surveillance (real, monetary, financial, external, debt and fiscal sectors) and capacity development. Participate in the IMF AFR Fiscal Network reviewing documents and developing applied research agenda on fiscal matters. |
| Jul/2016 – Up to date | National Treasury – Ministry of Economy
Undersecretary for Fiscal Policy Strategy
Main tasks: Lead a team of 70 economic analysts responsible for the medium-term fiscal policy projections and assessment, fiscal risks evaluations, spending reviews, government financial statistics, and financial evaluation of federal state-owned enterprises. |
| Jan/2015 – Jul 2016 | Senate of Brazil
Economic Advisor
Main duties: Advise Senator Ricardo Ferraço on economic and fiscal matters. Monitor legislative activities, recommend new law proposals and evaluate legislative projects. I was responsible for the technical team that formulated the New Public Finance Law approved by the Senate in June 2016. |
| Nov/2010 - Dec/2014 | Ministry of Finance
Economic Advisor
Main responsibilities: Prepare reports based on a wide range of economic and financial indicators: economic activities (including leading indicators), monetary policy and inflation, financial markets, fiscal policy, and the external sector. I also helped to prepare speeches and presentations for the Minister of Finance. |
| Set/2009 - Ago/2010 | Center for Latin American Studies - Stanford University
Visiting Scholar
Main tasks: Develop research on Brazilian selected expenditures categories: education, healthcare, social security, and defense. It covers historical data and recent trends, international allocative comparisons, main program evaluations, and the relationship between these public policies and development indicators. |
